

Phytobiotics Business Partner Testimonial

CCPC has a strong reputation in Taiwan market especially in the Animal Health industry .Together with the professional team and excellent market distribution in Taiwan .

CCPC is a professional company who has a business in many major sectors . We have a great collaboration in the Animal Health sector . During 9 years working hand in hand together , we very appreciate for all contribution and support from CCPC .This is a major key success factor for our growth in Taiwan.

Congratulations on this significant occasion. Seventy years of journey was never easy, but with the great team in CCPC and all support from stakeholders then you made it happen , Wish CCPC has a great successful business from now and future .

“ Happy 70th Anniversary ”
